

**HOTEL GRAND  
CHANCELLOR**  
AUCKLAND CITY

Overlooking the stunning Viaduct Harbour, Hotel Grand Chancellor Auckland City is the ideal choice for business and leisure travellers alike. Offering 81 guest rooms to suits all budgets and requirements, these range from studio rooms and one bedroom suites featuring kitchenette facilities, to one and two bedroom apartments with full kitchen and laundry facilities. All our accommodation options provide convenience and independence with air conditioning, en suite bathrooms, personalised bathroom amenities, private furnished balconies and views of downtown Auckland, Sky Tower, or the Waitemata Harbour and Harbour Bridge.

Hotel Grand Chancellor Auckland City is committed to preserving the environment with extensive use of eco-bulbs in guest rooms and public areas, motion sensor lighting in the elevators and car park levels, recycling of cardboards, plastics and glass, educating all staff on minimising our carbon footprint by turning off any unnecessary appliances, and our commitment to the Air New Zealand Environment Trust through a donation from every reservation made on the Hotel Grand Chancellor website.

**HOTEL GRAND  
CHANCELLOR**  
AUCKLAND AIRPORT

Conveniently located 5 minutes from Auckland's International and Domestic Airports, yet only 17 kilometres from the heart of Auckland City. The hotel provides 193 well appointed guest rooms, of which the majority have private patios overlooking the landscaped gardens or the pool courtyard. Rooms are situated away from flight paths and road noise.

Hotel Grand Chancellor Auckland Airport is a Qualmark 4 star rated property with a Qualmark Environmental Silver award. We acknowledge our responsibility to reduce our carbon and environmental footprint on an ongoing basis and are committed to the ideals of Sustainable Tourism. We want to protect New Zealand's natural environment so that your children and grandchildren can visit and enjoy it too. Examples of our sustainable practices include ongoing reduction in water, gas and energy usage and minimization of food waste such as with our worm farm. We have a strong recycling programs including glass, plastics and paper and we encourage our staff to have strong environmental focus through training in environmental and sustainability practices. We have a strong community involvement with local schools and organizations and we provide opportunities for work experience for local students. Hotel Grand Chancellor Auckland Airport also supports good causes such as in Loud Shirt Day, Daffodil Day and Diabetes Golf Day and we participate in environmental causes such as Earth Hour.

James Cook  
**HOTEL GRAND  
CHANCELLOR**  
WELLINGTON

Conveniently located in heart of Wellington City, the James Cook Hotel Grand Chancellor offers 268 well-appointed rooms and suites, two restaurants and bars and eight versatile meeting rooms. We also feature an exclusive 26th floor Club Lounge, which provides a variety of benefits along with magnificent views of Wellington City. We pride ourselves on delivering professional friendly service, whether you are travelling on business or leisure we look forward to welcoming you to New Zealand's thriving capital city.

As one of the largest hotels in Wellington, the James Cook Hotel Grand Chancellor aspires to do what is right for the environment. We acknowledge our role in protecting New Zealand's natural environment and this is reflected in our Environmental and Social Sustainability Policy. Initiatives include installation of a new energy efficient hot water heating system, allowing guests the option to have their room serviced and active participation in the 'Kai to Compost' programme in conjunction with Wellington City Council. Our commitment extends to every end of our operation, with our main objectives being waste reduction, recycling and re-using materials wherever possible. We also work closely with Eco Pocket NZ to implement, monitor and review environmental initiatives which can improve our sustainability performance. We have been certified Silver by EC3 Global and Qualmark for our environmentally friendly practices and aim to achieve Gold certification in the very near future.
